PROGRAM

4 - 5 November 2026 | Full day

Bakubung Bush Lodge, Pilanesberg

4 - 5 NOVEMBER 2026

Lodge Sessions

The Pterygoid implant: anatomy and indications
How safe is the Pterygoid protocol?
• Tips and tricks with Pterygoid implants
Pterygoid case presentations
Pterygoid demonstration
Pterygoid hands-on

Zygomatic overview and demonstration

Case presentations and interactive surgical planning

Delegates can present their cases to the speakers and team. Each case will be followed by an interactive surgical planning session. This approach allows for discussion, feedback, and collaborative problem-solving, ensuring participants gain valuable insights and practical knowledge with regards to different treatment protocols and approaches.

Game drive at Bakubung Game Reserve

Delegates will enjoy a game drive through the Bakubung Game Reserve. This excursion offers a chance to see a variety of wildlife and landscapes, providing a relaxing and memorable experience.

6 NOVEMBER 2026

Depart to airport (OR Tambo International Airport)
