Dear Victor

Re: The 52nd Scientific Meeting of the International Association of Dental Research (IADR 2023) (SA Div.) 7th and 8th September 2023

The International Association of Dental Research (IADR) Scientific Meeting will be hosted on the 7th and 8th of September, by the Faculty of Dentistry, University of the Western Cape. The IADR scientific meeting aims to provide delegates with the latest research in the field of dentistry. The event will be held over 2 days and will be attended by approximately 100 delegates comprising dentists, specialists (both in the academic field and private practice) as well as Oral Hygienists and Oral Health Providers. On September 9th, there will also be 4 post-congress workshops which are designed to attract private dental practitioners.

The latest research in dentistry, with some top South African Speakers, will be presented at this congress. The conference programme will provide exposure to exhibitors during breaks and in the Online Conference Brochure.

Theme: "A Renaissance: Translational Oral Health Research."

Venue: Krystal Beach Hotel

Breakwater Lane Harbour Island Gordons Bay, Central, Cape Town, 7140

A place of quality, a place to grow, from hope to action through knowledge

University of the Western Cape. Private Bag X1. Tygerberg 7505. South Africa.

This is the first in person congress since COVID, and patrons are very much looking forward to once again building collaborations and networking with colleagues.

We would be very grateful for your participation and your sponsorship of some of the competitions and perhaps contribute to the gala dinner for the upcoming IADR-SA congress. Your assistance will certainly go a long way towards the success of this event and will be greatly appreciated.
