

Program

DR EBRAHIM FAKIR
MAXILLOFACIAL SURGEON

DR WARREN FARAO
PROSTHODONTIST

MR IZAK VAN DER WALT
DENTAL TECHNICIAN

The Smile in a Day (SIAD) Advanced Implantology Program is a comprehensive training experience designed for dental professionals looking to refine their skills in full arch implantology. This program offers a thorough exploration of advanced techniques, focusing on the successful management of edentulous and failed dentate cases, with an emphasis on both surgical and restorative strategies. Participants will gain hands-on experience, integrate digital and analog workflows and engage in case-based discussions to tackle complex clinical challenges.

This advanced course bridges the gap between theoretical knowledge and practical expertise, empowering dental professionals to confidently manage and successfully treat full arch implant cases in their practice.

SMILE IN A DAY CLINIC
THE COSMETIC SURGERY INSTITUTE
